The vanity-cigarette case de luxe is this one of sterling silver in gold finish, in barrel shape, beautifully ornamented with enamel. A silk cord and tassel complete its outside—a mirror, cigarette compartment and memo complete it inside. 38.50

The combination of a mirror and a sautoir is this vanity mirror of enamel, small, yet efficient—and good looking in its coloring, which includes almost every shade..... 75c

A very effective chain of rosary beads is this one of gold-filled or sterling silver, consisting of large beads and dainty links..... 7.50

Sixty inches of lovely pearl beads will make a welcome gift for anyone of the feminine gender—for they can be worn about one's neck, or innumerable times about one's arm. 3.95

Creamy, lustrous are the pearl beads that comprise this short necklace—24 inches in length, with beauty dominating every inch. Finished with gold clasp. 2.95

This double compact provides within small space both powder and rouge, two puffs of clear mirror. In gold finish..... 95c

To achieve the unusual in accessories, one may safely choose these imported earrings of sterling silver, ornamented with marcasite, and set with real chrysoprase, crystal, Cornelian and onyx..... 10.50

And since harmony in costume plays such an important part, here is a brooch to match the earrings above, of sterling silver and marcasite, set with chrysoprase, frosted crystal and black enamel..... 7.50

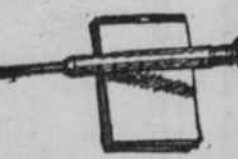

The flexible bracelet is in high favor, particularly those in box setting, like this one. Of sterling silver, of all rhinestones or rhinestones alternating with colored stones. Fastened with safety chain. 2.50

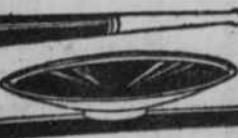

Accompanying the costume of black or color with equal grace is this gun metal mesh bag of fine reversible mesh, with tassels or designs in mesh at the bottom. One may choose from square, oval or round frames..... 8.50

An air of things Spanish is achieved in these jet black combs that look well in either blond or dark hair. The jet is cut in a number of interesting shapes..... 3.95

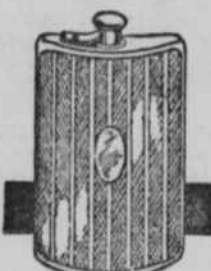

To slip in one's bag or hang from sautoir or chain, these enamel pencils are as ornamental as they are useful. In gold finish or sterling silver, combined with exquisite enameling in pastel shades..... 3.50

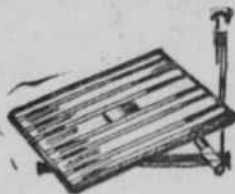

In complete harmony is this enamel smoking set—useful alike to feminine or masculine smoker. It may be had in a number of colors, with a border of gold..... 3.50

A full half pint is the capacity of this sterling silver container, in concave model adorned with engine turned designs. It possesses the two-fold advantage of being both good-looking and useful..... 59.50

More than usually good-looking when one considers how little they cost, are these silver-finished containers in concave model, to fit one's hip pocket comfortably. In engine turned designs, with non-leakable stopper..... 2.95

Such distinction as these cigarette cases display is cause for the delight of the most particular man—for they are of sterling silver, pleasuringly thin, engine turned or hammered, and gold lined..... 14.50

This hammered cigarette case with an engine turned design, discernible beneath is but one of many instances of the effective things that await you in this direction. And so inexpensive, for it is silver-finished, although one would never guess it..... 2.50

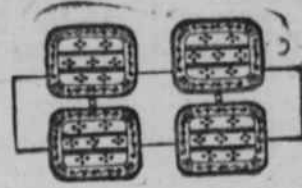

For the man who goes in for sports, or simply admires them from a distance, here are cigarette cases in silver finish, with a top of enamel that displays a number of sporting subjects. 7.50

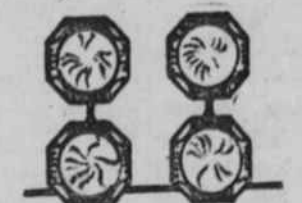

The individual ash tray is a delightful way of showing a guest attention—and since they come in red, yellow, blue and rose color enamel, one can always maintain the desired color scheme throughout..... 1.50

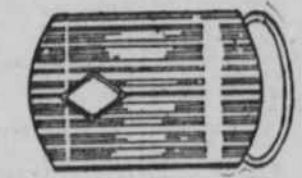

To look at this pencil closed is to think it a mere ornament—but in action, it is highly efficient. By pulling the ring at one end, the point emerges automatically, allowing one plenty of holding room. Of 14-kt. green gold in plain and engine turned designs. 14.50

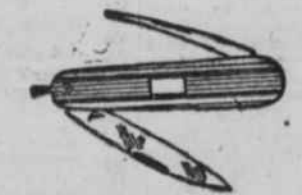

A narrow rim of platinum is used to border these 14 kt. green gold cuff links—each setting off the beauty of the other. Shapes are oval, cushion and square, in beautiful designs..... 10.50

The simplest way of achieving the richness of platinum at a modest price is to choose cuff links of 14 kt. green gold with a platinum top—in oval, octagon, long and square shapes, engraved or engine turned. 18.50

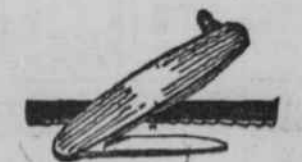

Even the man who is most fastidious about his accessories can find no fault with this distinctive belt buckle of 14 kt. solid gold, with its engine turned designs, and shield for monogram..... 14.50

This knife is prepared to serve the end of a man's watch chain by virtue of its beauty, and to serve when needed by reason of two sharp blades. Of 14 kt. green gold in engine turned designs, with shield in center. 7.50

The combination of 14 kt. green gold with platinum is ever a favored one, particularly in these good-looking knives. In engine turned designs, with shield for monogram. Two blades.... 14.50

Even pocket knives have taken color unto themselves, preparing to lead a cheerful as well as a useful existence. With two blades, and ring attached, in red, blue, yellow, green, gray and lavender enamel. 3.50

There's nothing like being an Elk, because then one can carry these decidedly good-looking Elk card cases of 14 kt. green gold, in engine turned designs, with the Elk insignia in plain evidence. May be attached to one's chain..... 27.50

Black onyx to set off the gleam of the diamond—a diamond to accentuate the black of the onyx—therein lies the effectiveness of this ring, framed in 14 kt. green gold in oval or square shapes..... 6.50

The simplest of hexagons surround the single diamond of this ring, while engraving adds its touch of beauty. Of 18 kt. white gold, set with a genuine diamond..... 52.50

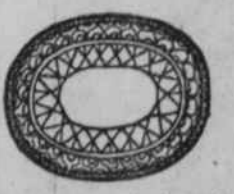

A diamond of excellent size forms the center of this 18 kt. white gold ring, beautifully engraved, but with a severely plain hexagon to frame the stone..... 92.50

The outer rim of this diamond ring is a circle that frames a glittering stone set in points. The setting is quite high and beautifully engraved. Made of 18 kt. white gold... 82.50

Whether one's birthday is in February or any of the other months, one would be mighty lucky to receive this amethyst ring. Its delicate coloring and 14 kt. white or green gold filigree setting are cause enough for anyone to admire... 18.50

Since once more the brooch enters the ring of fashion, the surest way of choosing a smart one is to take this one of amethyst, surrounded by a wide filigree frame of 14 kt. white gold..... 19.50

As an example of how the young girl may wear cameos correctly, we suggest a rather small one—a carved Cornelian cameo, with a graceful head, set in a frame in filigree or engraved designs..... 4.95

One is quite certain of finding a pleasingly shaped watch at this price, for there are not oval, round, tonneau, octagon and square effects? They come in 14 kt. white gold, 8 3/4 ligne, 15 jewels..... 19.50

Small in size, but large in efficiency is this little watch of 14 kt. solid gold—with its engraved frame for beauty, and 15-jewel movement for time-keeping purposes..... 22.50

Quite frank and open of face is this 18 kt. green gold watch—for one can tell the time on it with a minimum of effort. If square or tonneau shapes are more to one's liking, you may have those, too—set with 15-jewel movement..... 25.00

Engraving does more than its share towards making this watch a thing of beauty, even to the dial. Of 14 kt. white gold, 15-jewel movement and sapphire crown. Its oval shape is highly favored..... 28.50

This watch takes exquisite engraving to make it lovely, and adds a 15-jewel movement to make it efficient. It is of 18 kt. white gold, gracefully shaped..... 29.50

An excellent time-keeper is this rectangular affair of 18 kt. white gold, because its movement is 17 jeweled, and its mechanism skill fully put together. And with it all it is very good-looking..... 32.50

Tiny and compactly designed is this graceful oval watch, yet however small it is, it will keep time dependably. Of 18 kt. white gold, 6 ligne, and 17-jewel movement—that explains it..... 42.50

Anything prettier than this diamond-studded watch is difficult to imagine, for it boasts 30 diamonds and 8 sapphires, a platinum engraved case, and a most unusual shape. 182.50
